Lucknow, India 226016

PROFILE

While still building my professional experience, I am a highly motivated B.Tech student (Year 2) with a strong desire to learn and contribute. Possessing exceptional observational skills and a knack for noticing details, I excel at identifying solutions and fostering positive relationships. My observant nature makes me a quick learner, allowing me to grasp new concepts and procedures efficiently.

Additionally, my keen sense of humor helps build rapport and create a collaborative environment.

I am eager to gain practical experience and contribute my skills to your team. Though my formal experience may be limited, I am a fast learner with a positive attitude and a willingness to go the extra mile.

SKILLS

- **Familiarity with programming languages such as C and Java.**
- **Teamwork and communication abilities**
- **Analytical and problem-solving skills.**
- **Familiar with SAP ABAP and its working**
